

Aspire T120

Perfect rhythm

Aspire T120

Whether you're at home or in the office, the Aspire T120 will help balance the tempo of your lifestyle.

By offering exceptional processing power combined with a range of choices, Acer ensures that you have all the features you need to get your work done — with plenty of time left for leisure.

Ports and jacks on the front of the computer allow quick connection to peripherals and headphones, while a card reader facilitates easy exchange of digital files from the latest mix of storage media.

With extra room to upgrade memory, graphics and drives, you'll find that the Aspire T120 strikes the right chord for maximising all your options — now and in the future.
